

# Finding Beauty in Rural Life

## Cleaning Your Bathroom in Under a Minute

### Daily To Do Checklist - 1 minute

- Spray sink and toilet with Multipurpose Spray
  - Wipe down sink surfaces (including faucet)
  - Brush inside of Toilet Bowl with toilet brush
    - Wipe toilet rim, seat and back

### Weekly To Do Checklist - 10 Minutes

AFTER completing the DAILY To Do Checklist

- Spray inside of Shower with Multipurpose Spray
- Spray Shower Door (or Curtain) with Multipurpose Spray
  - Wipe the inside of shower, shower doors (or curtain) including the faucet, shower head, rails, and shelving
- Use the Wet Rag from wiping the shower to wipe all the walls and ceiling in the bathroom
  - Finish by wiping the floor

With these time saving tips, your bathroom will always be clean and ready for guests, But, Remember -

**Consistency...Consistency...Consistency...**

is the key. If you develop the daily habit of taking baby steps, not only will you have a clean bathroom, but and you will feel like a million bucks.
